OUTSTANDING RARE GOLD PIECES

632 **Ancient Roman Gold.** Aureus. Hadrian, bust right. Reverse, horseman with spear and COS III below. Ruled 117-138 A. D. Ext. Fine. Very rare. \$400.00

633 **Ancient Roman Gold.** Aureus. Lucius Verus bust to right. Reverse Salus standing. 161-169 A.D. Very Fine. Rare \$225.00

634 **Ancient Egypt Double Stater.** Ptolemy (310 B.C.) bust to right. Reverse, large eagle. Prac. Unc. Very rare. \$500.00

635 **Pikes Peak 1861-62 2½ DOLL'S, FIVE DOLLARS, TEN DOLLARS.** Reverse, J. J. CONWAY BANKERS, around, & CO. in center. This set mounted in an attractive blue plastic lettered holder: J. J. CONWAY & COMPANY-GEORGIA GULCH, COLORADO, 1861 2½ DOLL'S, FIVE DOLLARS-TEN DOLLARS. Set is struck in gold from the original Conway dies on the 50th anniversary of the Denver Mint, 1906-1956. Accompany the set is a map showing topography and mining claims in the Breckenridge District of Colorado. A very rare set. If the original coins could be had (which they can't), they would sell for \$15,000.00 or more. This set worth all of \$750.00

\$50.00 WASS, MOLITOR & COMPANY

636 1855 50 Dollars. 13 stars around head of Liberty. Reverse WASS MOLITOR & CO. SAN FRANCISCO, CALIFORNIA around wreath containing 50 DOLLARS and 900 THOUS., above. Extremely Fine. Have only had the opportunity to see a few of these. What few I have ever seen, have all been well worn and with numerous heavy nicks and bumps, due to this coin being so large and heavy and made of such soft metal. This coin is far superior to most, having only a few tiny nicks which seem to blend in with the coin and which are not readily objectionable. THIS IS THE ONLY \$50. ROUND PRIVATE OR TERRITORIAL GOLD COIN STRUCK, (except for the \$50. Kellogg, 13 known including those in museums, etc.) Not only is it enjoyable to own such a rarity, but judging from the catalogue, it is most profitable too. The present catalogue has advanced this coin \$1,700.00 in just the last year. Imagine what the advance may be in the next two or three years to its present value for Uncirculated of \$7,500.00

PIONEER GOLD POUND OF AUSTRALIA

637 1873 Ricketty Dick Mining Pound. 1873 RICKETTY DICK around bearded bust. Reverse STRUCK AT THE EXHIBITION MINT around the Australian coat of arms. Pierced at top to be worn suspended around neck, but has since been expertly repaired. No signs of wear. A leading authority says, "This piece is undoubtedly of the period and belongs in the same class as Burgers South African Pound", i. e. not fully government, but nevertheless genuine in our sense. R. Dick was a pioneer gold miner in the Australian Bush. Records state that only 10 pieces were struck but only 6 are known to exist. The October 1928 Numismatist on page 593 gives a description of displays at the A. N. A. convention. Under Elmer S. Sears exhibit, is included "Australian Sovereign, 1873 known as 'Ricketty Dick' **rarest coin of Australia**". This could be the same coin. The Burgers South African Found is included in Gold Coins Of The World with a value of \$500.00 as of 1958. This being a much rarer coin should be worth all of \$1,500.00

638 INCA, said to be Pre-Columbian Inca gold. Larger than our U. S. \$20.00 gold piece appearing like a triple scale with circle around. Uniface type with small hole at top to be suspended and worn around neck of Indian. V. Fine. First we have ever seen or heard of. Should be worth all of \$350.00

EARLY SILVER DOLLARS

1794

1217 1794 Excessively rare. First year of issue. F.-V. Fine. This coin is one of the few known to exist that was struck from the early impression of the dies **with strong left stars** and UNITED STATES. (Only about 40 or 45 of this date known to be in existence.. A similar one was recently offered in Cleveland by an Eastern dealer for \$5,000.00 and had the usual weak left side.) This coin with the **extra rare strong left side** should be worth \$6,000.00.

1218 1796 **Small date. Large letters.** F.-V. Fine. Very scarce and seldom offered. \$250.00.

1219 1797 7 Star facing. Large letters. Ext. Fine. Very scarce. \$350.00.

1220 1797 As above. Bolender 1. Prac. Unc. \$400.00.

1221 1797 10 Stars left and 6 to right. Bolender 3a. Among the early lettered edge dollars, mint records show this date to be next in rarity to the 1794. The figures also show it to be at least 5 times as rare as the next rarest date. Surely catalogue value must be far too low. Owner claims this to be uncirculated, but we will call it Prac. Unc. Nevertheless, we feel this rare date is worth close to \$700.00.

1222 1799 **over 98.** 15 star reverse. Ext. Fine. \$125.00.

1223 1799 Stars 8 left, 5 Right. Very rare. Prac. Unc. \$300.00.

1224 1801 Diecracks through STA, some clouds, OF & A of America. B.-1a. Ext. Fine. \$90.00.

1225 1803 Small 3. Bolender 1. Very rare. Prac. Unc. with considerable mint lustre. \$300.00.

1226 Gobrecht Dollar. 1839 Liberty Seated, without drapery from elbow, Reverse, eagle in plain field. Reeded edge. Designed by Christian Gobrecht. Very Fine. Very rare. (Catalog lists proofs only at \$1,000.00)

1805 Sheldon 268 Uncirculated

- 1555 1805 Sheldon 268. The Blunt I variety with the high leaf past the right side of S of States. This variety has a condition census listed in Sheldon's Book, 20 to 45 and as R. 5. This choice specimen which we think is a new discovery is strictly uncirculated. The obverse appears to be struck with rough or rusted dies, but with a pleasing chocolate patina. The reverse is virtually perfect with the exception of a few microscopic pin point marks which do not distract from the lustrous, reddish-brown prooflike surface. We have tried without any satisfactory results to find a listing as to this or a similar condition specimen; and without a doubt, we classify this coin as the finest known. To place an estimate on this outstanding rarity would be only guessing, so we herewith offer it for sale and let the chips fall where they may.

- 1972 F.444. A \$50.00 series of 1875, First Charter Period. The National Broadway Bank of New York. Red scalloped seal. Signatures of **Allison and Wyman**. At right, Washington kneeling in prayer. At left, Washington crossing the Delaware River. The reverse has the vignette of the embarkation of the Pilgrims. Printed on buff toned paper with blue end. This note is in V. G. to Fine condition, but in this case, why discuss condition. In our many years of collecting and dealing, we have never seen or heard of another like it. It is thus most difficult to place a valuation on this outstanding rarity and unique note. However, with this in mind, we are sure that this note will create and establish a set figure. We expect to see spirited bidding, and it would not surprise us to see this lot bring over \$5,000.00.

STATE OF DESERET NOTES - MORMON

Emergency Issue of the Provincial Government Five Dollar Note

- 2018 \$5.00 **The Kirtland Safety Society Bank**, Kirtland, Ohio. Center vignette young man seated on log petting dog. Standing boy vignettes at left and right. Originally dated and issued in March, 1837. Signed by Joseph Smith, Jr., Cashier (Founder of Mormon Church) and Sidney Ridgon, President (First Counselor to Prophet Smith). Only a few of these notes were carried by the Mormons on their trip West. Reissued at Great Salt Lake City, State of Deseret **During the emergency** by Mormon Church authorities, beginning January 10, 1849 and continuing to the Fall of that year. **Retired by the Mormon Gold coins as they appeared.** Validated by a penned SECRET MARK (Letter B) top left by Thomas Bullock, Mormon Coiner, and a symbol over the Plate letter at top right. Also Impression of the **Official Seal of the Twelve Apostles.** Countersigned by: Brigham Young, President of the Mormon Church, N. K. Whitney, Presiding Bishop of the Mormon Church, H. C. Kimball of the Church First Presidency. This note represents a fulfillment of Joseph's Smith's prophecy that some day the Kirtland notes "**Would be Good as Gold.**" (The Kirtland Safety Society Bank failed later in 1837.) Only 129 of the \$5.00 countersigned notes were issued. The majority were redeemed by gold coins and the notes destroyed in 1849 and 1850. The only Mormon item with signatures of both Joseph Smith and Brigham Young (Perpetrator) of the Church of Latter-Day Saints. **A Clean, Very Fine note.** Until early this year, **not a single specimen of this note was known.** A few of these notes were recently found in the possession of a descendent of one of the signers. These eventually were acquired by an Eastern dealer who advertised four notes at \$350.00 each. He stated that they were in Fine to Very Fine condition. Since this is a clean Very Fine note, I presume this must have been the best of the four. I feel this **Historical Note** which is much, **much rarer than the Mormon Gold coins** is worth at least \$500.00.

Ten Dollar Note

- 2019 \$10.00. The **Kirtland Safety Society Bank** with similar validation marks and counter-signatures. Fine to Very Fine. Even **more Rare than the \$5.00 note.** \$600.00

Gold Backed Treasury Notes - State of Deseret

2020 January 20, 1849 printed issue. G. S. L. (Great Salt Lake) City. \$2.00 Good to N. K. Whitney (Presiding Bishop of the Mormon Church) or bearer. Two Dollars on demand. Signed by Brigham Young (President) and H. C. Kimball (Of the Church First Presidency). Countersigned by Thomas Bullock (Mormon Coiner). Validated by **Official Seal of the Twelve Apostle** impressed containing letters "PSTAFJCJCLDSL DATW". (Private seal of the Twelve Apostles, Priests of the Church of Jesus Christ of Latter-Day Saints, in the Last Dispensation All over the World.) Actually, these were WAREHOUSE receipts for GOLD DUST and had backing of at least 80% in GOLD. Type hand set by Thomas Bullock and press operated by Brigham H. Young, nephew of the Church President. Of the only 812 \$2.00 notes issued, all but 23 were redeemed by May, 1850. Of course, **fewer actually survived**. This is **Strictly Uncirculated**, and much better than the about unc. one advertised by an Eastern dealer for \$375.00. **Probably the Best Example of this EXTRA RARE Gold Mormon Note.** \$750.00

Gold Backed Treasury Notes — State of Deseret

2021 \$3.00 Similar. **STRICTLY UNCIRCULATED**. Even more rare than the \$2.00 note. \$1,000.00
